

WHAT DO I NEED TO KNOW IF I REACH THE PRE-EMPLOYMENT MEDICAL STAGE?

IMPORTANT – Some positions require applicants to be medically assessed to the highest standard of TruckSafe. For more information, please refer to the National Transport Commission document *Assessing Fitness to Drive*. This medical assessment is in depth and aligns with the Driving Authorities Commercial Licensing requirements. www.austroads.com.au

What to bring with you to your appointment, including but not limited to:	
CHECKLIST	<input type="checkbox"/> Face-Mask – you may be required to wear this during your full medical assessment
	<input type="checkbox"/> All your medications, prescribed, non-prescribed, over the counter
	<input type="checkbox"/> Drivers Licence
	<input type="checkbox"/> Any additional and supporting documentation as listed below, but not limited to.

Do you have any of the following? If so you may need to provide the following at your medical	
CARDIOVASCULAR CONDITIONS	<input type="checkbox"/> Annual Cardio Specialist Management Plan and Compliance Report
DIABETES	<input type="checkbox"/> Annual GP Compliance Report
	<input type="checkbox"/> Annual Endocrinologist Compliance Report
	<input type="checkbox"/> Management Report
HEARING IMPAIRMENT	<input type="checkbox"/> Annual ENT Specialist or Audiologist Management Plan and Compliance Report
	<input type="checkbox"/> Hearing Aids
HIGH BLOOD PRESSURE	<input type="checkbox"/> GP Report with HBAIC and Medication Compliance
PSYCHIATRIST CONDITIONS	<input type="checkbox"/> Annual Neurologist or Psychiatrist Management and Medication Compliance Report
SLEEP APNOEA	<input type="checkbox"/> CPAP Compliance Report
	<input type="checkbox"/> Management Report

Private and Commercial Licence with Restrictions	
NOTIFIABLE MEDICAL CONDITION Private and Commercial Drivers Licence	<input type="checkbox"/> Medical Condition Notification Form. If you have a medical condition that is likely to affect your ability to driver, you must, by law, notify the Department of Transport and Main Roads (TMR)

Please be mindful	
SAFE LOAD LIMITS	All the hauling equipment operator seating is safety rated to 150kg

IMPORTANT! Failure to bring all required items with you to your medical will result in a delayed Medical Assessment Outcome and subsequent delayed start of potential employment.
